

ENGINEERING SERVICE CENTER

2001 ENGINEERING/ARCHITECTURAL SCHOLARSHIPS

The Engineering Service Center, along with the California Transportation Foundation, is offering **two \$500 Scholarships** to encourage students in pursuit of an engineering or architectural degree in the rapidly changing world of transportation. Recipients will be given consideration for Engineering Service Center student positions.

All scholarships are competitive and based on the applicant's specific goals and experience.

CRITERIA FOR SELECTION:

- Candidates must be in their **senior year of High School** or **first year of college**
- Candidates intend to enroll or are currently enrolled in engineering or architectural curriculum at California Community Colleges, State Colleges or Universities
- Candidates must be creative in addressing transportation issues
- Candidates must exhibit community and school involvement
- Work experience and/or volunteer experience is a consideration
- Letters of recommendation are required

Applications are available at
<http://www.dot.ca.gov/hq/esc/scholarships/>
or by calling Donna Perry at (916) 227-8126

**Scholarship applications and attachments must be postmarked or e-mailed by
March 31, 2001.**

E-mailed applications must be followed by a hardcopy with the student's signature.

*Awards will be announced May 2001 by the
Engineering Service Center Scholarship Committee.*

**ENGINEERING SERVICE CENTER
2001 ENGINEERING/ARCHITECTURAL SCHOLARSHIPS**

NAME: _____

ADDRESS: _____

CITY: _____ STATE: _____ ZIP CODE: _____

HOME PHONE (include area code) _____

COLLEGE/SCHOOL CURRENTLY ATTENDING: _____

SCHOOL OFFICE PHONE (include area code) _____

• **PERSONAL STATEMENT:**

Include college and career plans and how you believe you can make a contribution to Caltrans.

Please type your statement. Do not exceed 100 words.

• **BRIEF ESSAY:**

Caltrans' Mission is to improve mobility across California. If you were given the opportunity to provide recommendations to the Caltrans' Director in support of this Mission, describe how you would improve California's current transportation system.

Be creative with your essay; your response should be no more than 500 words, typed. A sketch or drawing no larger than 11" x 17" may be attached with your essay.

• **COMMUNITY AND SCHOOL ACTIVITIES:**

Include school activities (MESA, honor society, debate team, etc.) and other organizations.

• **WORK EXPERIENCE:**

Include paid and volunteer experience.

• **LETTERS OF RECOMMENDATION:**

Include two letters of recommendation from individuals in related fields of study (engineering, architecture, drafting, mathematics, or science).
